The Home is staffed 24 hours a day and the main aim of the experienced staff is to make the residents feel as much at home as possible

We are very aware of the need to respect the privacy and dignity of our residents.

We also aim to encourage our residents to be as independent as they are able.

We have a dedicated activities co-ordinator who provides the residents with varied and stimulating daily activities and also arranges outings. In addition there are weekly hairdressing visits and chiropody services are provided in-house by visiting specialists.

Once we have accepted a permanent resident, we aim to offer them a home for the rest of their life.
Only a requirement for specialist nursing care or hospitalisation will prevent this.

Moorlands
Residential Home

For further information or if you would like to arrange an informal tour of Moorlands Residential Home please contact the Home Manager on 01460 74425 or email info@ritzicarehomes.co.uk

Merriott is the largest village in south Somerset, it lies four miles south of the A303 trunk road from London to Exeter and 16 miles east of the M5 Taunton.
The village is set in rich farming country and is only 14 miles from the stunning Dorset south coast.

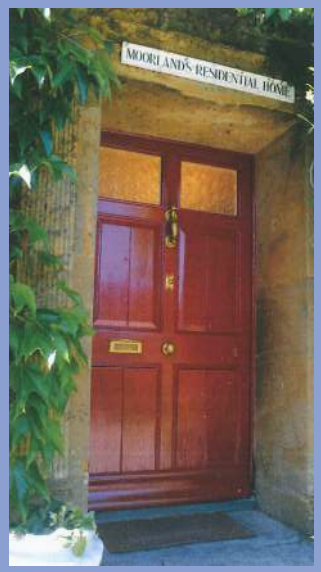
A fine Grade II listed former farm house, set in half acre of lovely landscaped grounds

Moorlands Residential Home is a fine Grade II listed former farm house built in 1740. Set in half an acre of lovely landscaped grounds in the centre of Merriott, within easy walking distance of the local amenities including the Post Office and the village store.

There are two sitting rooms where the residents can relax, read or watch television. The light and airy dining room is also situated on the ground floor along with a beautiful conservatory, which looks out onto the garden and is very popular in the summer.



We also have outside seating areas where our residents can sit in fine weather to enjoy the lovely garden, or watch the world go by from the front terrace.

Friends and family are welcome to join the residents and spend time in the relaxed atmosphere of Moorlands Residential Home

We have 14 single rooms and one double for residents. All rooms have en-suite lavatory and wash hand basin, whilst some of the larger rooms have an en-suite bathroom.

In addition to this, we have two bathrooms, which are specially adapted for those who are less able.

Part of the grounds are used to provide fresh vegetables for use in the home for as much of the year as possible

We pay particular attention to the quality of the food provided for our residents. Our cooks make three freshly prepared meals each day.

The main meal is at lunchtime and is cooked using locally sourced produce wherever possible.

Breakfast and an evening snack meal are provided daily as are coffee and biscuits in the morning. Tea and a selection of home baked cakes are served in the afternoon.

If the residents require further refreshments at other times of the day they need only ask any of the care assistants.
We cater for special diets.
